

Trimless kit + M60.22

Item Code: M60.22

Key Features: Cable suspension module, 16 kinds of different finishings for tube;
Magnetic anti-glare bezel, interchangeable easily

System Power: Max.12W

Color Temperature: Regular ones, DTW & Tunable White

Forward Voltage(V) & LED Current(mA): 36Vdc & 250mA(Max.300mA)

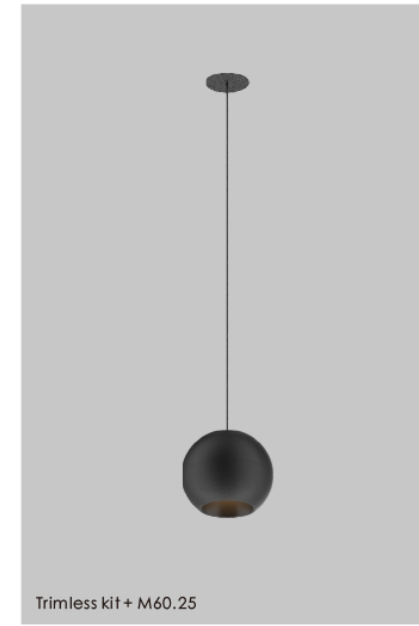

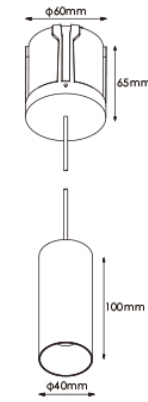

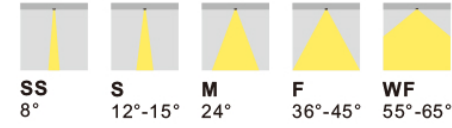

Cable color: Matt White Matt Black 2M as standard

Tube Finishing: Refer to M60.6 (P25)

Bezel Options: Refer to M40.6 (P13)

To be ordered separately: 1) Mounting Kits; 2) Anti-glare Bezel; 3) Constant current driver

Reflectors

Trimless kit + M60.25

Item Code: M60.25

Key Features: Cable suspension module, 16 kinds of different finishings for sphere;
Magnetic anti-glare bezel, interchangeable easily

System Power: Max.8W

Color Temperature: Regular ones, DTW & Tunable White

CRI: >90

IP Rating: IP43 (IP54 & IP65 can be customised)

Forward Voltage(V) & LED Current(mA): 36Vdc & 200mA

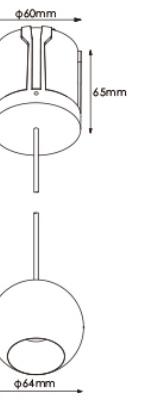

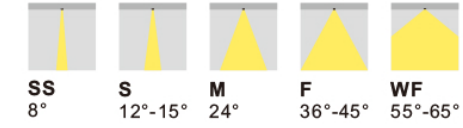

Cable color: Matt White Matt Black 2M as standard

Sphere Finishing: Refer to M60.6 (P25)

Bezel Options: Refer to M40.6 (P13)

To be ordered separately: 1) Mounting Kits; 2) Anti-glare Bezel; 3) Constant current driver

Reflectors

Trimless kit + M60.23

Item Code: M60.23

Key Features: Cable suspension module, 16 kinds of different finishings for tube;
Magnetic anti-glare bezel, interchangeable easily

System Power: Max.15W

Color Temperature: Regular ones, DTW & Tunable White

CRI: >90

IP Rating: IP43 (IP54 & IP65 can be customised)

Forward Voltage(V) & LED Current(mA): 36Vdc & 250mA(Max.350mA)

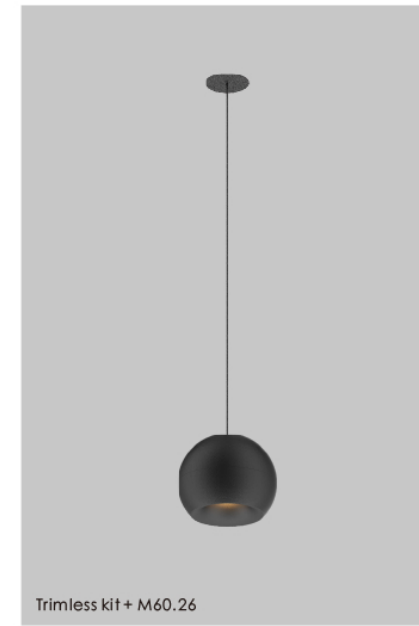

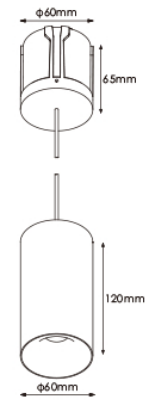

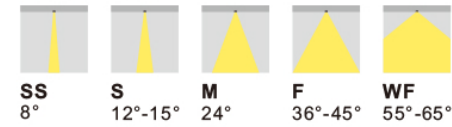

Cable color: Matt White Matt Black 2M as standard

Tube Finishing: Refer to M60.6 (P25)

Bezel Options: Refer to M80.1 (P51)

To be ordered separately: 1) Mounting Kits; 2) Anti-glare Bezel; 3) Constant current driver

Reflectors

Trimless kit + M60.26

Item Code: M60.26

Key Features: Cable suspension module, 16 kinds of different finishings for sphere;
Magnetic anti-glare bezel, interchangeable easily

System Power: Max.12W

Color Temperature: Regular ones, DTW & Tunable White

CRI: >90

IP Rating: IP43 (IP54 & IP65 can be customised)

Forward Voltage(V) & LED Current(mA): 36Vdc & 250mA(Max.300mA)

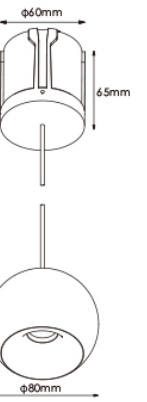

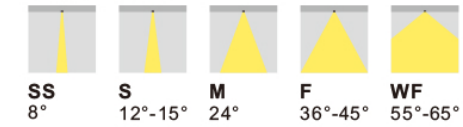

Cable color: Matt White Matt Black 2M as standard

Sphere Finishing: Refer to M60.6 (P25)

Bezel Options: Refer to M80.1 (P51)

To be ordered separately: 1) Mounting Kits; 2) Anti-glare Bezel; 3) Constant current driver

Reflectors

Trimless kit + M60.24

Item Code: M60.24

Key Features: Cable suspension module, 16 kinds of different finishings for tube;
Magnetic anti-glare bezel, interchangeable easily

System Power: Max.20W

Color Temperature: Regular ones, DTW & Tunable White

CRI: >90

IP Rating: IP43 (IP54 & IP65 can be customised)

Forward Voltage(V) & LED Current(mA): 36Vdc & 350mA(Max.500mA)

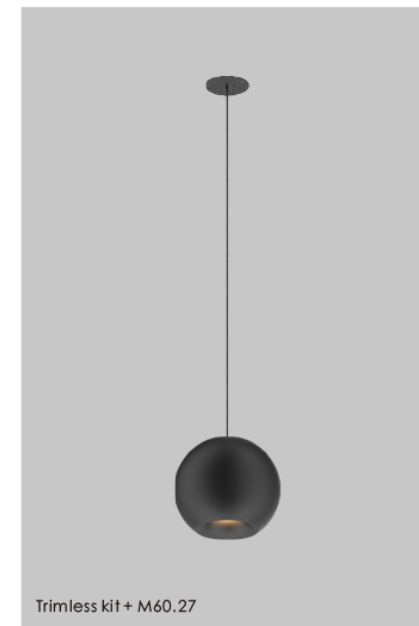

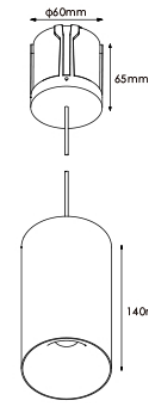

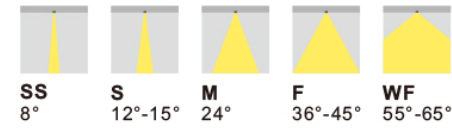

Cable color: Matt White Matt Black 2M as standard

Tube Finishing: Refer to M60.6 (P25)

Bezel Options: Refer to M80.19 (P58)

To be ordered separately: 1) Mounting Kits; 2) Anti-glare Bezel; 3) Constant current driver

Reflectors

Trimless kit + M60.27

Item Code: M60.27

Key Features: Cable suspension module, 16 kinds of different finishings for sphere;
Magnetic anti-glare bezel, interchangeable easily

System Power: Max.15W

Color Temperature: Regular ones, DTW & Tunable White

CRI: >90

IP Rating: IP43 (IP54 & IP65 can be customised)

Forward Voltage(V) & LED Current(mA): 36Vdc & 350mA

Cable color: Matt White Matt Black 2M as standard

Sphere Finishing: Refer to M60.6 (P25)

Bezel Options: Refer to M80.1 (P51)

To be ordered separately: 1) Mounting Kits; 2) Anti-glare Bezel; 3) Constant current driver

Reflectors
