

TR11 Track Surface

Low Profile Surface Track powder-coated in black, RAL9005

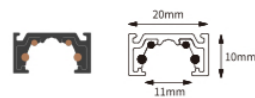

Low Profile Surface Track powder-coated in white, RAL9003

CASAMBI

Low Profile Surface Tracks

- 48V low voltage track system designed for surface-mounted application.
- Curve track is available for custom-made purpose.
- PC/PVC extruded insulation with 4 copper conductors(two additional conductors intended to manage a general data signal like DALI).
- Extruded aluminium shell with powder-coated finishings.
- Special direct and angle joints(ceiling-ceiling/ceiling-wall) are available in order to create continual rows.
- A closure sheath is available to be positioned flush with the opening of the track.
- The linear extruded cover to make the coppers concealed.
- Complete power supply unit system to be ordered separately.

TR11.01A
PC extruded insulation

TR11.01B
PVC extruded insulation
