

# Crystal Louvre

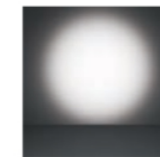

CASAMBI

- Complete with adapter for installation on 48V low voltage tracks.
- The plastic adapter integrated with the DC / DC converters available in DALI, Casambi, phase-cut, 0-10V dimmable options. Integral Casambi module allows independent adjustments of dimming(single color/CCT) and switching on independently for each spotlight.

- Grille PRO optics made of thermoplastic material, available in crystal, glossy black, white and silver finishings.
- Fast-acting electrical and mechanical connection system to mount the adapter on the track without needing tools.

## Optics

## TR11.M14(used for TR11.01 track only)

| source<br>W | system<br>W | lm/W   | optic | CRI  |
|-------------|-------------|--------|-------|------|
