## CASAMBI

- The innovative wall washer optic was designed to ensure uniform lighting of walls from the highest to the lowest points, as well as avoiding shadow areas in zones near the ceiling.
- Advanced Dimming Options: The plastic adapter features built-in DC/DC converters, offering DALI, Casambi, phase-cut, and 0-10V dimmable solutions. With an integrated Casambi module, enjoy independent control over dimming and switching for each spotlight.

- Effortless Installation: The fast-acting mechanical and electrical connection system ensures tool-free installation onto the track.
- Texture Powder-Coated Perfection: The texture finishings offer both aesthetic appeal and long-lasting protection, making them ideal for a wide range of applications that require a balance of simplicity and sophistication.

### Optics

The innovative wall washer optic was designed to ensure uniform lighting of walls, from the highest to the lowest points, as well as avoiding shadow areas in zones near the ceiling.

### Correct installation

Correct installation distances to achieve uniform lighting of the walls. For installation criteria, refer to the instruction sheet.
